ABOUT US

Yorktown Family Services is a fully accredited community service agency dedicated to supporting the mental health of infants, children, youth and young adults.

YOUR MONEY WELL SPENT

Every dollar raised helps create safer homes, healthier minds, and stronger communities through these vital services:

- **RAPID ACCESS THERAPY** Immediate, no-cost mental health support for children, youth, and families, delivered at the moment it's needed most.
- **YOUTH MENTORSHIP PROGRAM** Life-changing mentorship that nurtures confidence, strengthens resilience, and builds long-term mental well-being through meaningful one-on-one and group connections.
- **MAKE HOME SAFE PROGRAMS:** Critical support and safety-focused interventions for survivors of gender-based violence helping them rebuild lives free from fear and harm.
- **WRAPAROUND MODEL OF SUPPORT** A collaborative, strengths-based approach that reduces emergency interventions and helps youth and families achieve lasting stability through integrated mental health and social supports.
- **COMMUNITY VIOLENCE PREVENTION** Innovative, trauma-informed programs that engage communities, prevent violence, and create safer spaces - especially in neighbourhoods most impacted by systemic inequities.
